

copies of updated common seniority lists from the year 1990-91 to 2010-2011. Please inform me the charges for making copies of the common seniority lists. I am prepared to send the money immediately

Through the 3<sup>rd</sup> letter cited above you gave me reply as follows:-

**"After the school year it will be disposed. Hence the current year list only can be supplied for which Rs 292/- is needed"**

In response to the above letter I immediately drew DD for the above amount and the same was sent to you along with the 4<sup>th</sup> letter cited above. Unfortunately in and through the 5<sup>th</sup> letter cited above you sent back the DD stating that you did not maintain common seniority list.

You submitted your counter affidavit on behalf of you (the Superintendent of R.C.Schools, Tuticorin) and on behalf of the Manager of R.C.Schools, Tuticorin. In the affidavit you boldly lied before the Hon'ble Court that you maintained common seniority list. On that basis the Hon'ble court also decided the case and passed orders in favour of you. But the fact is that you have no common list. In para 22 of the Hon'ble Court order (ref.6) your lies were considered by the Hon'ble court as if they were true. Thus you willfully submitted untrue statement and cheated the Hon'ble court for your personal gain. This was exposed when I asked the document under RTI Act. All these happened when you held the office of the Superintendent of R.C.Schools, Tuticorin. Because of your lies and false statement the Hon'ble court had to take decision differently. It amounts to contempt of court. I have all the proofs to proceed contempt case against you.

Under these circumstances I state that you have cheated the Hon'ble High Court of Madras by submitting damn lie that common seniority list was being maintained for all employees under your management and again you have gone to the extent of cheating the Hon'ble Supreme Court of India in the name of a designation which you did not hold. By the first one many teachers are suffering from transfers and they do not have promotion chances. By the second one I am the direct sufferer. I cannot enjoy the fruits of my success in the High Court. You have taken vengeance against me under personal grudge. For victimizing me you took the weapon of cheating the Hon'ble courts either by submitting lies or by wrong perjury. It is pertinent to state here that you have cheated the Hon'ble Courts by false statements and by false filings. Your action obstructed the Hon'courts in rendering justice.

Unmindful of the dangers and consequences you are still continuing the same habit of cheating the Hon'ble courts. It is a pity that being a catholic priest you have done all these forgeries. You have earned shame to the Christianity. It is unbecoming of a catholic priest. If appropriate action is not taken against you, this practice will continue and the public will suffer a lot and moreover other priests also will follow your foot prints in cheating the Hon'ble Courts. For the reasons above mentioned and out of public interest I have decided to take appropriate action against you through the Hon'ble Court of law. It is for your kind information.

Thank you.

With kind regards,
