Dear Father,

I come to understand that you are the Public Relation Officer for Tuticorin Diocese. I want to make the following representation for your quick and fair action.

My Father Mr. S. Peter Raj was dismissed from Service for no reason. He won the case. There is no charge against him. Instead of reinstating him with back wages the management is dragging on the matter purposely. My aunt Mrs. Lourdu Mary applied for VRS. She did not ask promotion or any other favour from the management. But the management has not approved the VRS. Still the management drags on the matter willfully and purposely. Mrs. Renilda of Udangudi, the daughter-in-law of Mr. Robert Fernando, is struggling without approval and salary for years. Also there are several teachers suffering in the hands of Bp. Yvon Ambroise. Since the management gets grant from the government, it should follow the rules. But it fails to do so. The Diocese is becoming unchristian. Minority Right is misused. The public is fully aware of this Bishop's bad administration and malpractices. Recent news has opened the eyes of the public and government. AVE MARIA has loads of documents to prove his illegalities, maladministration, malpractices, misuse of power, misappropriation of funds and so on. Since we are catholic we did not want to bring the issues to the street. The bishop Yvon Ambroise does not consider natural justice and legalities. He seems to do all these illegalities and malpractices willfully and purposely to show his vanity, power. He is adamant in his illegalities. He does not want to solve the problems. He has become inhuman and tyrant. Under these circumstances, I would like to inform you that we are going to request the Central & State Government and other connected wings to take appropriate action against him. We also would like to file Public Interest Litigation for getting justice to protect the interest of the public and government. We do not want to proceed with our action without giving prior information to the diocese, since we are belonging to the Christian community. Thank you.

With kind regards,

S.P. Raja
